COMPANY PROFILE

Sichuan MiFo Technology Co., Ltd. is a socks manufacturer with **12 years of professional socks production and rich export experience**. As a top 10 sock manufacturer in China, we mainly produce **trampoline socks, children's socks, children tights and other types of socks**. Non-slip grip socks is a big branch of our product supply, they are essential entertainment products for trampoline parks, inflatable theme parks, aqua-parks and yoga center etc. Our mission is to produce grip socks with high quality and affordable price to boost your revenue and to build your local brand image.

WHY CHOOSE US ?

Our factory is located in Zhejiang, China, near the port of Shanghai that brings convenient transportation. We have a complete process of production capacity from raw materials to products. Our factory covers an area of **more than 42,000 square meters**. We have employed **660 sets** of advanced computer jacquard weaving/sewing/setting machines and professional production management, which enable us **80 million** production every year with fine rate reaches **99.9%**.

PACKING & DELIVERY

FAQ

1. Q: pouvez-vous nous fournir des échantillons?

A. Oui, nous sommes heureux de vous fournir des échantillons.

2. Q: Puis-je ajouter notre logo sur vos chaussettes?

R: Oui, le service OEM est disponible. Nous sommes prêts à faire des dessins pour vous.

3. Q: Quels sont vos modes de livraison?

A: Transport maritime, fret aérien, DHL, FEDEX, UPS.

4. Q: Quel est votre temps d'échantillon et de production?

A: Normalement, 5-7 jours pour utiliser un fil de couleur similaire en stock et 15-20 jours pour utiliser un fil personnalisé. Le temps de production est de 30 à 35 jours lorsque l'échantillon confirme.

5. Q: Comment expédiez-vous des marchandises, pouvez-vous aider à organiser l'expédition?

A: Nous pouvons expédier par avion, mer, express (Fedex, DHL, TNT, UPS) et pouvons aider à organiser l'expédition de porte à porte.
